CHAPTER 3

TWELFTH FIVE YEAR PLAN, 2012-17 AND ANNUAL PLAN, 2013-14

3.1 Formulation of 12th Five Year Plan of the Ministry

3.1.1 The Planning Commission had, in the context of formulation of the XII Five Year Plan, constituted in April, 2011, four Working Groups pertaining to this Ministry's area of work, viz. for (i) SCs, (ii) OBCs and De-notified & Nomadic Tribes, (iii) Disabilities, and (iv) Social Welfare (i.e. Sr. Citizens & Substance De-addiction). The four Working Groups, in turn, constituted Sub-Groups for various sub-sectors. Work of most of the Sub-Groups concluded in July. Reports of the Working Groups were finalized, based on Sub-Groups' recommendations, and submitted in October, 2011 for the consideration of the Planning Commission. The Planning Commission, based on the Reports of the Working Groups, finalized the XII Five Year Plan documents, which contain following three volumes, as detailed below:

- i. Volume I : Faster, More Inclusive and Sustainable Growth
- ii. Volume II : Economic Sectors
- iii. Volume III : Social Sectors

3.1.2 The Chapter 24 on 'Social Inclusion' of the Volume III, inter alia, lists out the initiatives proposed to be taken for the development and welfare of the target groups of the Department of Social Justice & Empowerment. The target group-wise approach as spelt out in the XII Five Year Plan - 2012-17 is brought out in subsequent paragraphs.

3.2 Target Group-Wise Approach as Spelt out in XII Five Year Plan - 2012-17

3.2.1 Scheduled Castes:

3.2.1.1 The Twelfth Plan aims to strive harder to achieve the overall improvement in socio-economic conditions of the weaker sections by extending a well balanced prioritization of efforts made for social development and economic empowerment based on the actual needs and problems of these communities. The principal goals for the Twelfth Plan, towards empowerment of the Scheduled Castes, will be:

- a. To ensure the security and dignity of all persons belonging to the Scheduled Castes, especially women and put a complete end to all forms of 'untouchability' and discrimination against them.
- b. To bring members of the SCs—both men and women—at par, to the maximum possible extent, with their non-SC/ST counterparts, in terms of all round

developmental indices viz.—education, health, nutrition, housing, income generation and employability.

- c. To empower SCs to participate in society and in nation-building, on an equal basis with others.
- d. To effectively implement SCSP as the essential instrument for accomplishing inclusive growth.

(a) Education Development

The endeavour in the Twelfth Five Year Plan will be directed towards taking up the following steps:

- i. Access to and participation of SC students should be enhanced to ensure that they have access to quality education. Special efforts need to be made to promote educational development by providing needed support in the form of scholarships for different levels of education; increasing the hostel facilities for boys and girl students; upgradation of Anganwadis by including high-quality pre-school institutions with qualified teachers; setting up a network of residential schools of high quality throughout the country so that all SC girls and boys are covered by them and receive quality education up to Class XII; ensuring that SCs are able to secure full quota of reservation and also enter the merit quota in higher education;
- ii. Revising the rates of scholarships every two years, based on increase in cost of living index or Consumer Price Index (CPI).
- iii. The Pre-matric scholarship scheme at present exists only for children of those engaged in manual scavenging. A new pre-matric scholarship scheme has been introduced for SC students studying in Class IX and X during 2012–13. This scheme needs to be extended to SC students studying in Class I to VIII during the remaining period of the XII Five Year Plan.
- iv. Special attention needs to be paid not only to retention in schools but also to provide the children with quality education through incentives like free supply of books, mid-day meals, hostels, and so on to SC children especially the SC girls.
- v. The scheme of Post-Matric Scholarships for SCs should also have the provision for a laptop or other suitable computing device for all SC students passing X or XII Board Examination by scoring the benchmarked higher percentage in the exams, as may be fixed.
- vi. There is a need to increase the number of Rajiv Gandhi National Fellowships.
- vii. The number of scholarships under the scheme of 'National Overseas Scholarship' needs to be increased substantially without any restriction as regards the field of study for which the scholarship would be available.
- viii. SC students need to be encouraged more vigorously to prepare for various competitive examinations. 'Free coaching to the SC students' should be expanded to cover Premier Entrance Exams to professional institutions like IITs, JEE, AIEEE,

CPMT, CLAT, CAT, and so on. The scheme should be comprehensively revised to make it more beneficial to SC students. Upgradation of Soft/Communication Skills for SC students is a major challenge and should be addressed suitably.

- ix. State Governments need to upgrade the hostels to a satisfactory level using funds provided by the Finance Commission and other agencies. It is envisaged to have additional Hostel capacity of 2 lakh seats for SC students with a minimum of 50 per cent for SC girls. Central assistance to States/UTs for construction of boys hostels need to be increased appropriately. Babu Jagjivan Ram Chhatrawas Yojana will be revised so as to provide assistance for creating additional seats for SC students in integrated hostels too, besides for constructing hostels exclusively for SC students.
- x. Good quality residential schools for SC boys and girls need to be set up in blocks with high SC concentration so as to ensure that all meritorious SC girls and boys have access to such residential schools, as early as possible. The percentage of SCs in such schools should be at least 50 per cent.

(b.) Economic Development

The XII Plan envisages:

- i. The national level Corporations need to consider alternative agencies to channelize credit to SCs and Safai Karamcharis so as to meet their targets in all the States.
- ii. Regarding equity support to Scheduled Castes Development Corporations (SCDCs), NSKFDC should assist at least one lakh beneficiaries under its various schemes during Twelfth Five Year Plan.
- iii. A major focus should be on organizing skill development programmes.
- iv. In order to implement economic development programmes with assured outcome as intended and to mobilize institutional credit at concessional rates, SCDCs need to focus on capacity building, network linking with micro-financing, risk sharing, risk mitigation and selection of viable economic ventures.
- v. There is a need to devise effective mechanisms for recovery of loans to improve loan recovery.
- vi. An element of professionalism in managing the SCDCs is also needed to be inculcated through continuous capacity building training of staff and computerization. Therefore, efforts need to be made to improve the functioning of SCDCs to enable them to function as viable and independent supporting financial mechanisms.
- vii. Landlessness amongst Scheduled Castes is much higher than in the non-SCs. Intensive efforts need to be made to distribute surplus government land to landless SC agricultural labourers in the rural areas. The land distribution needs to be completed in a time bound manner, so as to enable a larger number of landless SC families to improve their lot at the earliest.
- viii. There is a need for creating a National Fund to finance various innovative activities

for their development which do not fall under any of the existing Schemes, for example development and training of talented SC artisans and artists. It would be desirable to have a National Fund for Innovative Development Activities for SCs—for supporting SC talent and potential in diverse areas, otherwise not covered under the existing Schemes. The Scheme may be implemented through National Scheduled Castes Finance and Development Corporation (NSFDC).

- ix. There is a need to create a strong institutional mechanism to facilitate the SC entrepreneurs/artisans in marketing their products in an institutionalized manner. A National level organisation may be set up in the Twelfth Plan as a permanent marketing institution, on the lines of TRIFED, for marketing of products manufactured by Scheduled Caste entrepreneurs/artisans.

(c) Schedule Caste Sub Plan (SCSP)

- i. In keeping with the objective of more inclusive growth, steps will be taken to reform the SCSP. These Plans have the potential to become effective mechanism in closing the development gap between the Scheduled Castes, and other sections of the society.
- ii. Towards this goal, the Twelfth Plan proposes a set of key implementation measures to strengthen the planning process. These include earmarking of the SCSP funds from the total plan outlays well in advance of the commencement of the financial year, preparation of pro-active planning documents as Sub-Plans, an appraisal and approval mechanism for the Sub-Plans so formulated, and a robust mechanism for monitoring and evaluation of outcomes.
- iii. An institutional framework to effectively implement these changes will be set up in the Planning Commission.
- iv. At the State level, there will be an apex body headed by the Chief Minister and the designated Nodal Department will appraise the SC / ST Sub-Plans for the State.
- v. Having made a beginning in the Annual Plan 2011-12 based on the recommendations of the Task Force set up by the Planning Commission, there is need to further consolidate and improve upon the implementation of SCSP across the sectors, ensuring not only optimal earmarking of funds under SCSP as per the guidelines, but also utilizing the same in achieving the outcomes in measurable terms.
- vi. The Ministries of Social Justice & Empowerment and Tribal Affairs need to spearhead the task of formulation, implementation and monitoring of SCSP as nodal coordinating agencies.
- vii. Based on the experience of implementing the SCSP by the Central Ministries / Departments, the guidelines issued by the Planning Commission will be reviewed to remove any shortcomings, so as to ensure that at least 16.2% of the Central Plan outlay is earmarked under the Schemes / Programmes that benefit the SC community demonstratively, and 8.2% of the Central Plan outlay is earmarked under the Schemes / Programmes that benefit the ST community demonstratively.

3.2.2 Other Backward Classes:

(a) Education Development

12th Five Year Plan envisages the following initiatives:

- i. Schemes for providing scholarships for pursuing Pre-Matric, Post-Matric and other higher education, supported with hostel facilities will be taken up on priority basis.
- ii. Appropriate revision of the Pre-Matric Scholarship Scheme in respect of the sharing pattern of assistance (being raised from 50 per cent to 100 per cent), rate of scholarships and parent/guardian income limit for eligibility (from `44500 p.a. to `1 lakh p.a.) will be given priority in the Twelfth Five Year Plan.
- iii. Hostel facilities for boys and girls which are at present very limited and inadequate would be increased substantially.
- iv. National Overseas Scholarship Scheme for OBCs could also be formulated similar to those for SCs and STs so that OBC students can also go abroad for educational and professional courses which are generally not available in the country.
- v. Rajiv Gandhi National Fellowship (RGNF) scheme on the pattern available to the SC and ST students should also be introduced for OBC students during the Twelfth Five Year Plan.

(b) Economic Development

- i. The major focus of the NBCFDC would be, inter alia, to address the skill requirement needs of youths belonging to the OBCs. Accordingly, a window, in the form of a new scheme, will be opened up to provide funds to the Corporation by the Ministry for this new venture.

(c) The Nomadic, Semi Nomadic and De-notified Tribes

The approach in the 12th Plan would be:

- i. To provide special and relevant support and facilities for these communities within the existing facilities for ST, SC and OBC categories as applicable.
- ii. Access to scholarships and hostel facilities, need to be given priority. The existing schemes for scholarships and hostel facilities need to be revised to extend their coverage to nomadic, semi-nomadic and DNTs.
- iii. Capacity building programmes for skill development and marketing, loans for economic empowerment need to be given priority. Specific strategies and mechanisms will also be put in place to ensure flow of funds for the welfare and development of nomadic, semi-nomadic and Denotified Tribes (DNTs).
- iv. An enabling environment needs to be created so that they are able to utilize the reservation benefits in education and employment. DNTs do not have permanent residential locations due to various social, political and cultural reasons; as a result,

they are unable to avail the benefits of the various schemes of the Government. Therefore, an effective rehabilitative approach supported with an equally effective plan for the socio-economic development of the DNTs needs to be adopted and implemented especially by establishing habitations/villages for them.

- v. The existing legislations such as Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, 1989; Habitual Offenders Act, 1952; The Prevention of Begging Act, 1959; The Bombay Prevention of Begging Act, 1959; Prevention of Cruelty to Animals Act, 1986; Wildlife Protection Act, 1972 and the Forest (Conservation) Act, 1980; and Excise Law and so on need to be reviewed to ensure the dignity and the livelihood of DNTs and their economic empowerment.
- vi. A nation-wide survey of DNT settlements needs to be conducted urgently. This could form the basis, inter alia, for introducing a suitable shelter programme for homeless DNTs. Free or subsidized housing may be provided to eligible DNT households in a phased manner by adopting special measures like a 'Rajasthan's Gadaria Lohar Community Housing Scheme'.
- vii. Given the high incidence of homelessness among DNTs, a proportion of the current outlay for Indira Awaas Yojana (IAY) should be earmarked for DNTs. Within DNTs, the nomadic communities need to be assisted financially to construct dwelling units by receiving priority under the on-going housing programmes of the Central Government.
- viii. To create a Cluster Development Fund for assisting the DNTs for the construction of houses, for providing land to them and for creating infrastructure, and so on so that proper clusters can be developed for them.
- ix. The skill development initiatives of the States and Central Government need to give priority to cover the unemployed youth among the DNTs with a view to provide them employable skills.
- x. A suitable Action Plan for the rehabilitation of the nomadic, semi-nomadic and DNTs as well as to meet the infrastructure needs including basic amenities of their areas needs to be prepared. The requirement of funds for the purpose will be met out of the proposed Cluster Development Fund.
- xi. The Finance and Development Corporations under the Ministry of Social Justice and Empowerment will be tasked to address the skill development of the DNTs.
- xii. An Integrated Infrastructure Development Programme also needs to be especially designed to provide basic amenities such as roads, schools, electricity, drinking water, community centers, and so on in the existing settlements of the DNTs.

3.2.3 Social Defence

A. Senior Citizens

General improvement in the health care facilities over the years has resulted in increase in life expectancy and continuing increase in proportion of population of senior citizens. The number of senior citizens of 80 years and above has been increasing. As a result the old Age

Dependency Ratio has been steadily rising during the past three decades viz. 12.0 in 1981, 12.2 in 1991 and 13.1 in 2001. The Twelfth Five Year Plan, therefore, envisages the following initiatives:

- i. The needs of the older (80+) persons are different from those senior citizens in the age group of 60 years and above. Increasing attention will have to be given to this category of senior citizens. This will be addressed in the new policy for Senior Citizens which is under preparation.
- ii. Efforts need to be made to ensure that day care/enrichment centres for the elders receive focused attention under the scheme of Integrated Programme for Older Persons (IPOP).
- iii. The scheme of IPOP needs to be revised to make it more effective so that all facilities can be provided to the elders, for example day care/enrichment centres and so on.
- iv. With the rising demand for caregivers and also to ensure quality of service of personnel employed in old age homes funded under IPOP, Plan envisages an important role for Regional Resource and Training Centres (RRTCs) funded under IPOP. Existing RRTCs funded under the IPOP need to be strengthened. In addition, steps should be taken to ensure that at least one RRTC is established in every State during the XII Plan.
- v. A new National Policy on Senior Citizens will be formulated and implemented during the XII Plan period focusing on the following areas:
 - Mainstreaming of all the senior citizens, especially the older women and bring their concerns into the national development debate.
 - Promote the concept of 'Ageing in Place' or ageing in own home.
 - Care of senior citizens has to remain vested in the family which would partner the community, government and the private sector.
 - Institutional care should be the last resort.
 - Schemes should be formulated for providing housing, income-security, homecare services, old age pension, and access to healthcare, insurance schemes and other programmes and services to facilitate and sustain the concept of dignity in old age.
 - The thrust of the policy would be preventive rather than curative.
 - Keeping in view the rising longevity of our population, there is a need to focus on all aspects of care for the Oldest Old (80+ years) namely, social, financial, health care and the need for shelter
 - Since India is a signatory to the Madrid Plan of Action and Barrier Free Framework, the Policy will aim to work towards an inclusive, barrier free and age-friendly society.

- Recognize that senior citizens are a valuable resource for the country and create an environment that provides them with equal opportunities, protects their rights and enables their full participation in society.
 - Long term savings instruments and credit activities will be promoted to reach both rural and urban areas.
 - Employment in income generating activities after superannuation will be encouraged.
 - Organizations that provide counseling, career guidance and training services will be supported and assisted.
 - The Maintenance and Welfare of Parents and Senior Citizens Act, 2007 will be implemented effectively and Tribunals will be set up so that elderly parents, unable to maintain themselves, are not abandoned and neglected.
 - States will set up homes with assisted living facilities for abandoned senior citizens in every district of the country and will set apart adequate budgetary support for this purpose.
- vi. NISD needs to be strengthened to take the lead in training the requisite human resources for caring of the senior citizens of the country, during the Twelfth Plan period.
- vii. A suitable Action Plan will be prepared in the Twelfth Plan to ensure effective implementation of the Maintenance and Welfare of Parents and Senior Citizens Act, 2007 Act by creating awareness among public about the various provisions of the Act through aggressive media campaign as well as involving Panchayati Raj Institutions/Municipalities/local bodies in the campaign to reach out to rural areas as well.
- viii. With a view to ensure the well-being of senior citizens especially indigent senior citizens, by strengthening their legitimate place in society and extending support for financial and food security, health care, shelter, equitable share in development, protection against abuse and exploitation and other needs, efforts need to be made in the Twelfth Five Year Plan for:
- setting up a National Commission for Senior Citizens to look into their grievances on priority for redressal and ensure that services and facilities meant for them are being provided;
 - establishment of Old Age Homes for Indigent Senior Citizens with integrated multi-facility centre of varying capacity (25, 60 and 120) in 640 districts of the country, through State Government;
 - setting up of a Helpline and District level help lines for older persons;
 - setting up of Bureau for Socio- Economic Empowerment of Senior Citizens at district level;

- creation of National Trust for the Aged;
- issue of 'Smart' Identity Cards for senior citizens; and
- health insurance for senior citizens.

B. Substance (Drug) Abuse and Alcoholism

- i. In view of the fact that problem of incidence of alcoholism and substance abuse is assuming alarming magnitude, 12th Plan envisages an urgent need for effective counter measures through programmes in convergence mode viz.
 - a. Various Central Ministries, attending to different aspects relating to these vulnerable groups, need a better coordination and convergence.
 - b. All existing schematic and non-schematic interventions made by the Ministries need to be integrated under a Mission Mode programme.
- ii. There is a need to make an accurate assessment of the extent, pattern and trends of substances abuse in the country and identify vulnerable groups and areas.
- iii. Preventive measures need to be taken to reduce both supply and demand and Universal access to preventive treatment and rehabilitation of alcoholism and drug abuse.
- iv. Integrated Rehabilitation Centre for Addicts (IRCA) assisted under the Scheme of Assistance for the Prevention of Alcoholism and Substance (Drugs) Abuse and for Social Defence Services run by voluntary organizations need to be strengthened.
- v. Being a signatory in UN conventions, an effective demand reduction strategy needs to be formulated.

C. Beggars

There is an urgent need to formulate a National Policy so that there is uniformity of approach in dealing with the problem of beggary.

- i. There is a need to bring out a Model Legislation on Beggary at the Central level which can be suitably adapted by States/UTs.
- ii. Direct intervention through a new programme/scheme like the Integrated Programme for Rehabilitation of Beggars can be made. The Programme may include items like Night Shelter-cum-Work Production Centre; Multiple Skill Training; Mobile Health Care; Counselling; Awareness Generation; and Sensitization programmes. Training of Human Resources, Research and Documentation
- iii. To adopt a convergence approach to the existing programmes for the vulnerable groups implemented by the Ministries of Social Justice and Empowerment, Rural Development, Urban Development and Poverty Alleviation, Women and Child Development.

3.3 Plan Outlay envisaged in 12th Plan Period (2012-17), and BE, RE and Expenditure in Annual Plans 2012-13 and 2013-14

Bureau wise BE, RE and Expenditure figures during the XII Plan are at **Annexure 3.1**. Scheme-wise break-up of approved plan outlay for 12th Five Year Plan is at **Annexure 3.2**.

3.4.1 Plan outlay of the Ministry for 2013-14 was Rs.6065 crore. The expenditure during 2013-14 was Rs. 5084.56 crore which was 98.44% of the revised plan outlay. Sector-wise, break up of outlay vis-à-vis physical and financial achievement under Annual Plan, 2013-14, is at **Annexure-3.3**.

CHAPTER 4

SCHEDULED CASTES

4.1 An Overview

4.1.1 Indian society historically had a rigid, occupation-based, hierarchical caste system in which the relative place of a caste in the social hierarchy was determined largely by its traditional occupation. In particular, those performing 'unclean' or supposedly 'polluting' tasks came to be regarded not merely as 'low' castes but as 'untouchables'. The practice of 'untouchability' resulted in great injustice to the members of the concerned castes because they were discriminated against in every respect, and denied ownership of productive assets like land, as well as basic rights like education and equality, which resulted in perpetuation of their extreme socio-economic deprivation.

4.1.2 The 1931 Census, for the first time, systematically categorized certain castes as 'depressed classes'. Thereafter, the Government of India Act, 1935, for the first time, provided for notification of socially disadvantaged castes as 'Scheduled Castes', and a list of such castes was accordingly notified in the Government of India (Scheduled Castes) Order, 1936. The elections to provincial assemblies in British administered areas held in 1937 under the above Act, provided seats reserved exclusively for Scheduled Caste candidates.

4.1.3 The Constitution of India, which came into effect on 26.1.1950, inter-alia, abolished "untouchability" and provided several special safeguards for the Scheduled Castes, so as to ensure that they are able to attain equality with the other social groups in the shortest possible time. These safeguards enabled reservation in elections to the Lok Sabha and State Legislative Assemblies, and reservation in Government jobs

4.1.4 The Ministry of Social Justice & Empowerment is the nodal Ministry to oversee the development and empowerment of the Scheduled Castes. Though the primary responsibility for this rests with various Central Ministries and State Governments/Union Territory Administrations, the Ministry of SJ&E has been assigned nodal responsibility in this regard, which also complements their efforts by way of interventions like scholarships, hostels, concessional loans, etc. The Ministry also monitors the efforts made by State Governments/ UT Administrations and Central Ministries in development and empowerment of the Scheduled Castes.

4.2 Definition and Specification of Scheduled Castes

4.2.1 Definition of Scheduled Castes:

'Scheduled Castes' are defined in Article 366(24) of the Constitution of India, as - "such

castes, races or tribes or parts of or groups within such castes, races or tribes as are deemed under article 341 to be Scheduled Castes for the purpose of the Constitution."

4.2.2 Specification of a caste as a Scheduled Caste: Article 341 of the Constitution deals with specification of a caste as a Scheduled Caste and reads as under:-

341. Scheduled Castes:

- (1) The President may with respect to any State or Union Territory and where it is a State after consultation with the Governor thereof, by public notification, specify the castes, races or tribes or parts of or groups within castes, races or tribes which shall for the purposes of this Constitution be deemed to be Scheduled Castes in relation to that State or Union Territory, as the case may be.

4.4 Liberation & Rehabilitation of Manual Scavengers

4.4.1 Background

Complete elimination of the dry latrines and manual scavenging, and the rehabilitation of manual scavengers in alternative occupations has been an area of high priority for the Government. Towards this end, a multi-pronged strategy has been followed, consisting of legislative as well as programmatic interventions. Steps taken in the past are as follows:-

4.4.1.1 Legislative Interventions

(i) The Employment of Manual Scavengers & Construction of Dry Latrines (Prohibition) Act, 1993

As per entry 6 in the State List of the Constitution, "Sanitation" is a State subject. However, taking into consideration the seriousness of the problem and the resolutions passed by the legislatures of six States (AP, Karnataka, Maharashtra, Goa, West Bengal & Tripura), the Parliament had enacted the above legislation under Article 252 ("Power of Parliament to legislate for two or more States by consent and adoption of such legislation by any other State") of the Constitution.

The Act came into force w.e.f. 26.1.1997 in all the Union Territories and the above six States. Subsequently, 19 other States also adopted it. The remaining three States viz. Himachal Pradesh, Jammu & Kashmir and Rajasthan have their own Acts.

As per Section 3(1) of the Act, no person shall –

- (a) engage in or employ for or permit to be engaged in or employed for any other person for manually carrying human excreta; or
- (b) construct or maintain a dry latrine.

Thereafter, the **"Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013"** has been enacted for elimination of insanitary latrines, prohibition of employment of persons as manual scavengers and rehabilitation of manual scavengers in a holistic manner. Details of this Act are given separately.

(ii) National Commission for Safai Karamcharis (NCSK)

NCSK was first constituted under the National Commission for Safai Karamcharis Act 1993 in August, 1994. The Act ceased to have effect on 29.2.2004, after which, the tenure of the Commission has been extended, as a non-statutory body, through Resolutions, from time to time. The present Commission has been constituted through a Resolution for a period up to 31.03.2016.

4.4.1.2 Schematic Interventions:-Various Schemes have been formulated by the Central Government for the elimination of insanitary latrines and the rehabilitation of manual scavengers. They are given below:

- i) **Integrated Low Cost Sanitation Scheme** –for conversion of dry/insanitary latrines in **urban** areas.
- ii) **Nirmal Bharat Abhiyan** (formerly Total Sanitation Campaign) – for, inter-alia, construction of sanitary latrines in **rural** areas,
- iii) **Pre-matric Scholarship to children of those engaged in 'unclean' occupations**, including manual scavengers,
- iv) Concessional loans for self-employment through the **National Safai Karmacharis Finance and Development Corporation** (NSKFDC),

v) Rehabilitation of Manual Scavengers under the National Scheme of Liberation and Rehabilitation of Scavengers and their Dependents during 1992-2005, followed by **Self-Employment Scheme for Rehabilitation of Manual Scavengers (SRMS)** from 2007.

4.4.2 Further Developments

4.4.2.1 Recommendations of the National Advisory Council

The National Advisory Council (NAC), in a resolution dated 23.10.10, inter alia, observed that "the shameful practice of manual scavenging persists in India, despite being outlawed.....The Central, State and local governments have been very weak in implementing this law, and almost no one has been punished under this law in 17 years".

4.4.2.2 The then President of India had, in her address to the Parliament on 12.3.2012, announced, inter alia, as follows:-

"24. My government will introduce a new Bill in Parliament for eliminating manual scavenging and insanitary latrines. This will also provide for proper rehabilitation of manual scavengers in alternative occupations so that they are able to lead a life of dignity".

4.4.2.3 On the occasion of Independence Day in 2012, the Prime Minister of India, in his address to the nation announced that a legislation to prohibit manual scavenging and rehabilitation of manual scavengers would be brought before the Parliament.

4.4.2.4 Data from Census, 2011, (which has become available in March, 2012)

'House listing and Housing Census 2011' data released by the Registrar General of India in March, 2012, shows that there are still some 26 lakh insanitary latrines in the country. They have given the following, broad, category-wise break-up:-

	Category	Approx. No.
a	Latrines from which night soil is disposed into open drain	13 lakh
b	Service latrines in which night soil is:	
	i. removed by humans, and	8 lakh
	ii. serviced by animals.	5 lakh
State/UT wise number of insanitary latrines is given at Annexure- 4.10.		

It would be seen from the Census, 2011, data mentioned above that, despite various interventions, the problem of insanitary latrines and consequently manual scavenging still persists. Therefore, a need was being felt for a stronger Central legislation to eliminate these twin evils as well as for the proper rehabilitation of the remaining manual scavengers.

4.4.3 The Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013.

4.4.3.1 The 'Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013' was published in the Official Gazette on 19.9.2013 and notification for giving effect to

the Act from 6th December, 2013, was issued on 2nd October, 2013. This Act intends to, inter alia, achieve its objectives to:-

- i) Eliminate the insanitary latrines.
- ii) Prohibit:-
 - Employment as Manual Scavengers,
 - Hazardous manual cleaning of sewer and septic tanks,
- iii) Survey of Manual Scavengers and their rehabilitation, within a time bound manner, and casts various responsibilities on the State/UTs.

4.4.3.2 Main features of the Act are as follows:

i. Definition and prohibition of Insanitary Latrines

- a. The Act prohibits "insanitary latrine" which is defined as one which requires human excreta to be cleaned or otherwise handled manually, before complete decomposition, either *in situ* or in an open drain or pit into which the excreta is discharged or flushed.
- b. Sub Section 2 of Section 5 of the Act provides that every insanitary latrine shall be demolished or converted by the occupier, at his own cost, within nine months of the coming into force of the Act.

ii. Definition and Prohibition of employment as Manual Scavenger

The Act prohibits employment as manual scavenger (MS) and defines a manual scavenger as a person employed for "manually cleaning, carrying, disposing of, or otherwise handling in any manner, human excreta in an insanitary latrine or in an open drain or pit into which human excreta from insanitary latrines is disposed of, or on a railway track, before the excreta fully decomposes..."

iii. Local Authorities to Survey Insanitary Latrines and Provide Sanitary Community Latrines

Chapter II of the Act casts a responsibility upon the local authorities to construct an adequate number of sanitary community latrines, within 9 months of the commencement of the Act, so that the problem of open defecation is not aggravated due to the demolition of the insanitary latrines.

4.8.2 Pilot Scheme of Pradhan Mantri Adarsh Gram Yojana (PMAGY)

4.8.2.1 The Finance Minister, in his Budget Speech, 2009-10, delivered on 6.7.2009, announced launching of a new scheme, namely "Pradhan Mantri Adarsh Gram Yojana", on pilot basis, to cover 1000 villages with more than 50% SC population. The relevant para of the speech reads as under:

46 (v) "There are about 44,000 villages in which the population of Scheduled castes is above 50 percent. A new scheme called Pradhan Mantri Adarsh Gram Yojana (PMAGY) is being launched this year on a pilot basis, for the integrated development of 1000 such villages. I propose an allocation of Rs. 100 crore for this scheme. Each village would be able to avail gap

funding of Rs. 10 lakh over and above the allocations under Rural Development and Poverty Alleviation Schemes. On successful implementation of the pilot phase, the Yojana would be extended in coming years."

4.8.2.2 The pilot PMAGY scheme has been launched in March, 2010 in pursuance of the above announcement. The scheme aims at integrated development of the selected 1000 villages with more than 50% SC population into "model villages". The Scheme was formally launched in 18 BB village of Padampur Block, Sri Ganganagar District, Rajasthan on 23.07.2010 by the Union Minister, Social Justice and Empowerment, Shri Mukul Wasnik in the presence of the Union Minister of Rural Development, Dr. C.P Joshi, and the Chief Minister of Rajasthan, Shri Ashok Gehlot.

a. Objectives

4.8.2.3 PMAGY aims to ensure integrated development of the selected villages having more than 50% SC population, into "model villages" so that, inter alia,

- i. they have requisite physical and social infrastructure for their socio-economic development, to the maximum possible extent;
- ii. disparity between SC and non-SC population of the village in terms of common socio-economic indicators (e.g. literacy rate, completion rate of elementary education, IMR/MMR, ownership of productive assets, etc.) is eliminated, and the indicators are raised to at least the level of the national average; and
- iii. untouchability, discrimination, segregation, and atrocities against SCs are eliminated, as are other social evils like discrimination against girls/women, alcoholism and substance (drugs) abuse etc., and all sections of society are able to live with dignity and equality, and in harmony with others.

b. Components of the Scheme

4.8.2.4 The Scheme has the following two main components

- i. Territorial Area-related Component
- ii. Functional Area-related Components

4.8.2.5 The first component of the scheme is territorial in nature, is centered on individual villages, and has the following two sub-components:

- i. Convergent implementation of existing schemes of Central and State Governments in the selected villages, and
- ii. Gap-filling funds from PMAGY in which Central Government's contribution will be at the average rate of Rs. 20.0 lakh per village (revised from Rs. 10 lakh to Rs. 20 lakh per village in September, 2011, para II (b) below refers), with State Government making a suitable, preferably matching contribution, for meeting specifically identified developmental requirements of the selected villages which cannot be met under the existing schemes of the Central and State Governments.

4.8.2.6 Functional area-related component is *inter alia* meant to facilitate implementation of the Scheme by way of strengthening of administrative machinery for its planning and implementation, capability building of key personnel, developing a proper management information system etc.

For this component, State Government will be eligible for central assistance upto 5% (revised in September, 2011 from the earlier 6%) of the outlay for territorial area-related components.

c. Selection of States for the first year (2009-10) of the Pilot Phase

4.8.2.7 As per Census 2001, there were 44, 080 villages, spread across 25 States and 2 UTs, having more than 50% SC population. As per the budget announcement, 1000 of such villages were selected in the first year in the pilot phase. Five States, representing five regions of the country, were selected for the implementation of the Scheme as per details given below:

Sl. No	Region	State	Total No. of villages with >50% SC Popn.	No. of villages proposed to be selected for Pilot Phase
1	North	Himachal Pradesh	2594	225
2	East	Bihar	2,476	225
3	West	Rajasthan	2,467	225
4	South	Tamil Nadu	2,169	225
5	North East	Assam	883	100
	Total		10,589	1,000

All the above States, except Bihar and Himachal Pradesh have been selected on the basis of their having the largest number of villages with >50% SC population, in the region. Bihar, though having the third largest number of SC majority village after West Bengal and Orissa in the region, was selected on the basis of its relative backwardness. Himachal Pradesh, having the second largest no. of SC majority villages in the Northern region, was selected in February 2011, after Uttar Pradesh, having the largest no. of SC majority villages in the region, did not agree to implements the scheme.

d. Implementation Modalities

The Scheme is being implemented by State Governments. A State-level Steering-cum-Monitoring Committee (SLSCMC) under the Chairmanship of the Chief Secretary is mandated to be set up to lead and monitor its implementation. SLSCMC have been set up in all the 5 PMAGY states. Program Directors have been nominated in all states at State, District and Block levels for execution of the Scheme.

At the level of Central Govt., there exists a Central Advisory Committee headed by the Union Minister for SJ& E for overall guidance and monitoring of the Scheme. A Central Steering-cum-Monitoring Committee (CSMC) has also been set up under Chairpersonship of Secretary (SJ&E) to address broad policy issues in the implementation of the Scheme.

The details of number of selected villages for implementation of the scheme - State, District and Block wise are at **Annexure 4.28**.

e. Baseline Survey:

For implementation of the scheme in a village a **baseline survey** was to be carried out. Draft guidelines for the survey were discussed in the above workshop. Based on the inputs received from various stakeholders the guidelines for the baseline survey have been finalized and sent to the concerned States in August, 2010. All the 5 PMAGY States have confirmed completion of Baseline Survey.

f. Village Development Plan

While conveying the baseline survey guidelines to the State Governments (except H.P) they were requested that while indicative guidelines for the preparation of Village Development Plans (VDPs) were also being developed, the States may start developing their own VDP guidelines without waiting for our VDP guidelines, and to get VDPs prepared and approved on that basis. In pursuance of the above, indicative guidelines for preparation of VDPs were developed and sent to the State Govts. on 28.2.2011. As central assistance could be release to HP only in Feb, 2011, the Guidelines for Baseline Survey and Preparation of Village Development Plans were sent to them in March, 2011.

All the 5 PMAGY States have confirmed preparation of Village Development Plans.

g. Meeting of Central Steering-cum-Monitoring Committee

CHAPTER 5

OTHER BACKWARD CLASSES

5.1 An Overview

5.1.1 The Second Backward Classes Commission (commonly known as Mandal Commission), constituted under Article 340, submitted its Report in 1980. In the light of this Report, the Government of India had, vide O.M. dated 13.08.1990 of the Department of Personnel & Training, issued an order providing 27% reservation in Central Government posts for persons belonging to the Socially and Economically Backward Classes, [also referred to as "Other Backward Classes" or OBCs]. Several writ petitions were filed in the Supreme Court challenging this Order. These were disposed of by the Supreme Court in 1992, by a majority judgment, which is commonly known as the judgment in the Indra Sawhney case. In this judgment, the Court upheld 27% reservation for OBCs in civil posts and services under the Union of India, subject to exclusion of the "Creamy Layer". The Government of India vide the Ministry of Personnel, Public Grievances and Pension (Department of Personnel and Training) OM No. 36012/22/93-Estt. (SCT), dated 8th September, 1993 reserved 27% of vacancies in Civil Posts and Services under the Central Government, to be filled through direct recruitment in favour of the Other Backward Classes (OBCs).

5.1.2 With the amendment of Article 15 of the Constitution in January, 2006 and the enactment of the Central Educational Institutions (Reservation in Admissions) Act in January, 2007, listing of other backward classes has become relevant for admission in Central Educational Institutions also. Under this Act, OBC students are entitled to 27% reservation in Central Educational Institutions in a phased manner, over a period of three years commencing from the academic session 2008-09.

5.1.3 The National Commission for Backward Classes (NCBC) was set up in August, 1993 as per the provision of the National Commission for Backward Classes Act, 1993.

5.2 Central List of Other Backward Classes and amendments thereto effected during 2013-14.

5.2.1 In pursuance of the Supreme Court's Judgment in Indra Sawhney Vs Union of India and Others, the Department of Personnel & Training vide its O.M. dated 08.09.1993 inter alia, directed that "The OBCs would comprise, in the first phase, the castes and communities which are common to both lists (i.e. in the report of Mandal Commission and the State Government's lists). A list of such castes and communities is being issued separately by the Ministry of Welfare". Accordingly, the Central List of OBCs was issued vide Resolution dated 10.09.1993 of the then Ministry of Welfare in respect of 14 States. Lists for another 7 States and 4 UTs were issued by the then Ministry of Welfare vide Notifications dated 19.10.1994 and 24.05.1995.

5.2.2 Since the first notification of the Common list on 10.09.93 and constitution of the NCBC in August, 1993, till date 2404 such entries (by way of castes, their synonyms, sub castes etc.) have been notified in the Central List of OBCs through 32 resolutions for 24 States and 6 Union Territories. On the advice of the NCBC, the Central Government makes changes in the Central List of OBCs from time to time. The State wise number of castes/communities covered under the Central List of OBCs as on 31.03.2014 is **at Annexure-5.1**.

5.2.3 The caste-wise census was discontinued after the 1931 census. Hence, census data is not available on the population of OBCs in the country. However, the Mandal Commission had estimated OBC population at 52% of the total population while the National Sample Survey Organization, based on its 61st round survey (2004-05), has estimated it to be 41% as stated in its Report "Employment & Unemployment situation among Social Groups in India." The Registrar General of India has been conducting the Socio Economic Caste Census since the year 2011 when it was decided to canvass 'caste' of all persons, to ascertain the caste-wise population. The final results of this Census are still awaited.

5.3 Statutory Framework

5.3.1 Relevant Constitutional Provisions

5.3.1 Clause (4) of Article 15 of Constitution of India ["Prohibition of discrimination on grounds of religion, race, caste, sex or place of birth"] permits the State to make special provision for the advancement of "any socially and educationally backward classes of citizens" including in admission to educational institutions.

5.3.2 Article 16 (4) ["Equality of opportunity in matters of public employment"] permits the State to make provision for reservation in appointments for "any backward class of citizens...."

5.3.3 Article 340 of the Constitution provides "that the President may by order appoint a Commission to investigate the conditions of socially and educationally backward classes". As it was not envisaged to set up an independent Commission to investigate complaints made by OBCs, the National Commission for Scheduled Castes has been entrusted to look into such complaints under Article 338 (10) of the Constitution.

5.3.4 Clause (1) of Article 38 of the Constitution makes it obligatory for the State to "strive to promote the welfare of the people by securing and protecting as effectively as it may a social order, in which justice, social, economic and political, shall inform all the institutions of the national life". Art. 46 enjoins upon the States to "promote with special care the educational and economic interests of the weaker sections".

5.3.5 Clause (10) of Article 338 (National Commission for Scheduled Castes) mentions that for the purpose of that article, references to Scheduled Castes "shall be construed as including references to such other backward classes as the President may, on receipt of the report of a Commission appointed under clause (1) of article 340 by order specify and also to the Anglo-Indian community." Thus, the National Commission for Scheduled Castes is responsible for looking into the grievances of the Other Backward Classes (OBCs) also.

5.3.2 National Commission for Backward Classes Act, 1993

5.3.2.1 In pursuance of the directions of the Supreme Court in Indra Sawhney Vs. UOI and Others case mentioned in Para 5.2.1 above, the Government of India enacted the National Commission for Backward Classes (NCBC) Act, 1993 (Act No. 27 of 1993) dated 1.2.1993, for setting up a National Commission for Backward Classes. Under Section 1 of the Act, the jurisdiction of the Act extends to the whole of India except the State of Jammu & Kashmir.

5.3.2.2 Section 3 of the Act provides that the Commission shall consist of five members, namely, a Chairperson who is or has been a Judge of the Supreme Court or of a High Court; a social scientist, two persons, who have special knowledge in matters relating to backward classes; and a Member- Secretary who is or has been an officer of the Central Government in the rank of a Secretary to the Govt. of India. Under Section 4 of the Act, every Member shall hold office for a term of three years from the date he/she assumes office.

5.3.2.3 The functions of the Commission are laid down mainly in Section 9 and Section 11 of this Act. Under Section 9 (1) of the Act, the Commission shall “examine requests for inclusion of any class of citizens as a backward class in such lists and hear complaints of over-inclusion or under-inclusion of any backward class in such lists and tender such advice to the Central Government as it deems appropriate”. Section 9(2) of the Act states that the advice of the Commission shall ordinarily be binding upon the Central Government.

5.3.2.4 Section 11 of the Act, entrusts the Central Government to undertake the revision of lists at the expiration of ten years from the date of this Act coming into force and every succeeding period of ten years. As per sub-section (2) of this Section, the Central Government is required to consult the NCBC while undertaking such revision.

5.3.2.5 During the year 2013-14, the Commission has tendered 40 advices for inclusion/addition/modification/correction/rejection to the Central List of OBCs.

5.3.2.6 Justice Vengala Eswaraiah has been appointed as Chairperson of the National Commission for Backward Classes w.e.f. 19.9.2013.

5.3.3 Revision of Income Criteria for “Creamy Layer”

5.3.3.1 As per Supreme Court’s judgment mentioned in Para 5.1.1 above, “Creamy Layer” is excluded from the reservation benefits available to OBCs. Detailed criteria defining the “Creamy Layer” are laid down in the Schedule to DOPT O.M. No. 36012/22/93-Estt. (SC) dated 08.09.1993, which lays down the following six categories to whom the rule of exclusion will apply:-

- i. Constitutional Posts
- ii. Service Category
- iii. Armed Forces including Para-Military Forces
- iv. Professional Class and those engaged in Trade and Industry
- v. Property owner, and

vi. Income/Wealth Tax payee

In the last category, income ceiling specified in the said O.M. dated 8.9.93 was Rs.1 lakh per annum. This was revised to Rs. 2.5 lakh per annum in 2004 which has further been again revised to Rs. 4.5 lakh per annum in October, 2008, and to Rs. 6.0 lakh per annum in May, 2013.

5.4 Schemes: An Overview

5.4.1 Having recognized that educational and economic support for backward classes has not been adequate and that there is disparity between them and the non-backward sections of the population at every level, it was felt that earnest efforts were required to introduce various schemes specifically for the target group in order to provide them a level playing field. It was envisaged that the most important initiative for improving the social and economic status of backward communities lies in improving their access to education and training. Hence, the following schemes were formulated and are being implemented since 1998-99:

- i. Pre-matric Scholarship to the OBCs for studies in India
- ii. Post-matric Scholarship to the OBCs for studies in India

5.7 Denotified, Nomadic and Semi-Nomadic Tribes (DNTs)

5.7.1 An Overview

5.7.1.1 The British Government had from time to time declared some of the tribes which, according to them, were involved in criminal activities as Criminal Tribes. The Criminal Tribes Act (CTA), 1871 provided that if a Local Government had reason to believe that any tribe, gang or class of people is addicted to the systematic commission of non-bailable offences, it may, with the authorization of the Governor General, declare such tribe etc. as a "Criminal Tribe". The CTA was revised in 1911 and in 1924. The CTA, 1924, was repealed by the Criminal Tribes Laws (Repeal) Act, 1952 on the recommendations of the Shri Ananthasayanam Ayyangar Committee. As a result, the tribes notified earlier as Criminal Tribes, stood denotified, and the name 'Denotified Tribes' (DTs) has been in use for them since then. Nomads are people who are constantly on the move and have no permanent home. On the other hand, Semi-nomadic groups tend to have a fixed abode for a part of the year and are Itinerant in the rest of the year. Most DNTs are categorized as SC/ST/OBC though a few of the DNTs are not covered in any of these categories.

5.7.1.2 Against the above background, a National Commission for Denotified, Nomadic

and Semi-Nomadic Tribes (NCDNT) was constituted in the year 2005 which made certain recommendations. In addition, the National Advisory Council (NAC) constituted a Working Group on Denotified, Nomadic and Semi-Nomadic Tribes in 2011 which proposed a detailed set of recommendations for the DNTs.

5.7.1.3 The Government has considered the recommendations of the NCDNT and NAC and has taken the following decisions:-

- i. the establishment, through an executive order, of a National Commission for Denotified, Nomadic & Semi-Nomadic Tribes for a period of three years; and
- ii. framing of an appropriate scheme for grant of pre and post-matric scholarships and construction of hostels for students belonging to the Denotified, Nomadic & Semi-Nomadic Tribes not included in the Scheduled Castes, the Scheduled Tribes and Other Backward Classes after following the requisite process including appraisal by the Expenditure Finance Committee.

5.7.1.4 A Resolution for establishment of the Commission for Denotified, Nomadic and Semi-Nomadic Tribes with the following Terms of Reference has been issued on 12.02.2014:-

- a. To prepare a State-wise list of castes belonging to Denotified and Nomadic Tribes.

The objective of the Institute is to strengthen and provide technical inputs to the social defence programmes of the Government of India and to develop and train the manpower resources required in the area of social defence. The Institute is mainly involved in conducting training programmes pertaining to care for senior citizens, drug abuse, prevention and other social defence issues. 6.8 Substance/Drug Abuse

6.8.1 Overview

6.8.1.1 Drug and Alcohol abuse has become a major concern in India. In a National Survey conducted by United Nations Office on Drugs and Crime (UNODC) and Ministry of Social Justice and Empowerment, for the year 2000-2001 (report published in 2004) it was estimated that about 732 lakh persons in India were users of alcohol and drugs. Of these 87 lakh used Cannabis, 20 lakh used opiates and 625 lakh were users of Alcohol. About 26%, 22% and 17% of the users of the three types respectively were found to be dependent on/addicted to them. The survey also indicated that other drugs such as Sedatives/Hypnotics, volatile substances, Hallucinogens, Stimulants and pharmaceutical preparations were also abused. However the

sample size being small (40,697 males only) vis-a-vis the country's population, the estimates can at best be taken as indicative only.

6.8.1.2 With a view to build a reliable data base and in view of the changing situation, it was decided to take up another detailed round of National Survey, through a professional organization, like the **National Sample Survey Office (NSSO)**, to capture recent trends, patterns and extent of drug use in the country. Accordingly, the NSSO had conducted a Pilot Survey in the cities of Amritsar, Imphal and Mumbai in March 2010. Considering the draft Survey report, the Department of Social Justice & Empowerment made a request to NSSO to conduct an Advanced Pilot Survey in the States of Punjab, Manipur and Maharashtra. In compliance thereof, a Technical Committee has been constituted by the NSSO to finalize the sampling design and survey methodology. On the recommendations of the Technical Committee, a Joint Coordination Committee consisting of senior officers from the Department of Social Justice and Empowerment, NSSO, National Aids Control Organization (NACO), Narcotics Control Bureau (NCB), concerned State Governments and other stakeholders has been constituted to finalize the modalities and monitor the Survey. The Joint Coordination Committee met twice in Delhi and once in Chandigarh to finalize the modalities of the advanced pilot survey in three States.

6.8.1.3 The list frames were received from Punjab and Manipur for the Advanced Pilot Survey. The National Statistical Commission (NSC) noted some shortcomings in the methodology for the pilot survey and recommended that a Working Group may be constituted by Ministry of Statistics and Programme Implementation (MOSPI). Accordingly, a Working Group under the Chairmanship of Director General, NSSO vide their letter dated 22.10.2013 has been constituted. The first meeting was held on 5th February, 2014. The matter is being pursued with NSSO for expediting the modalities of advanced pilot survey.

6.9 Narcotic Drugs & Psychotropic Substances Act, 1985

6.9.1 The Narcotic Drugs and Psychotropic Substances Act, 1985, was enacted, inter alia, to curb drug abuse. Section 71 of the Act (Power of Government to establish centres for identification, treatment, etc of addicts and for supply of narcotic drugs and psychotropic substances) provides that "The Government may, in its discretion, establish as many centers as it thinks fit for identification, treatment, education, after-care, rehabilitation, social reintegration of addicts and for supply, subject to such conditions and in such manner as may be prescribed, by the concerned Government of any narcotic drugs and psychotropic substances to the addicts registered with the Government and to others where such supply is a medical necessity." Accordingly the Department has been supporting Integrated Rehabilitation Centre for Addicts (IRCA) under the Scheme of Prevention of Alcoholism and Substance (Drugs) Abuse being run by voluntary organizations.

6.10 Narcotic Drugs & Psychotropic Substances Policy (NDPS Policy), 2012

6.10.1 Ministry of Finance in consultation with all stakeholders including the Department of Social Justice and Empowerment has brought out Narcotic Drugs & Psychotropic Substances Policy (NDPS Policy). It aims to:

- a. Spell out the policy of India towards narcotic drugs and psychotropic substances; and
- b. Serve as a guide to various Ministries and organizations in the Government of India and to the State Governments as well as International Organizations, NGOs, etc.
- c. Re-assert India's commitment to combat the drug menace in a holistic manner.

6.10.2 The policy reaffirms the three pronged strategy for demand reduction of Narcotic Drugs & Psychotropic Substances by way of awareness building, Community based intervention for motivational counselling, identification, treatment and rehabilitation of drug addicts, and Training of volunteers/service providers and other stakeholders with a view to build up a committed and skilled cadre. The policy also envisages that a mechanism shall be identified to assess the extent of drug abuse in the country through National Household Survey or otherwise. Such survey shall be repeated every five years so that the change and pattern of drug abuse can be studied and the impact of various measures taken for drug supply and demand reduction can be assessed.

6.11 Relevant UN Conventions

India is a signatory to three United Nations Conventions, namely:

- (i) Convention on Narcotic Drugs, 1961;
- (ii) Convention on Psychotropic Substances, 1971; and
- (iii) Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances, 1988.

6.11.1 Thus India also has an international obligation to, inter alia, curb drug abuse. The United Nations General Assembly, in its 20th Special Session in 1998, has accepted demand reduction as an indispensable pillar of drug control strategies. The demand reduction strategy consists of education, treatment, rehabilitation and social integration of drug addicts for prevention of drug abuse.

6.12 Awareness Generation Campaign about the ill-effects of Alcoholism and Substance Abuse

6.12.1 The Department of Social Justice and Empowerment recognizes drug abuse as a psycho-socio-medical problem, which can be best handled by adoption of a family/community-based approach by active involvement of NGOs/Community Based Organizations (CBOs). The strategy for demand reduction is three pronged:

- a. Awareness building and educating people about ill effects of drug abuse.
- b. Community based intervention for motivational counselling, identification, treatment and rehabilitation of drug addicts, and
- c. Training of volunteers/service providers and other stakeholders with a view to build up a committed and skilled cadre.

6.13 International Day against Drug Abuse and Illicit Trafficking

6.13.1 26th June is observed as an "International Day against Drug Abuse and Illicit Trafficking". The Department launches a national level awareness campaign each year on this occasion. This year also all the State Governments, related central Ministries, all the RRTCs and Delhi based NGOs were directed to organize appropriate awareness generation programmes.

6.14 National Awards for outstanding services in the field of Prevention of Alcoholism and Substance (Drug) Abuse

6.14.1 Substance abuse being a psycho-social-medical problem, community based intervention through Non-Government Organisations (NGOs), Panchayat/Municipal bodies, Educational Institutions etc. has been considered as the best approach for treatment and rehabilitation of the addicts. In order to recognise the efforts and encourage excellence in the field of prevention of substance abuse and rehabilitation of its victims, the Department of Social Justice and Empowerment has launched a "Scheme of National Awards for outstanding services in the field of Prevention of Alcoholism and Substance (Drug) Abuse" which was notified in the Gazette of India on 31.12.2012. The Scheme is applicable to institutions and individuals working in the field of Prevention of Drug and Alcoholism Abuse. The awards are to be conferred on the awardees in a function to be held in New Delhi on the 26th June every year, on the occasion of "**International Day against Drug Abuse and Illicit Trafficking**".

6.14.2 The first National Award for outstanding services in the field of Prevention of Alcoholism and Substance (Drug) Abuse was conferred on the awardees on 26th June, 2013 at a function organised at Vigyan Bhawan. The award was given by the President of India to institutions/ individuals in different categories.

6.15 National Consultative Committee on De-addiction and Rehabilitation (NCCDR)

6.15.1 A National Consultative Committee on De-addiction and Rehabilitation Services (NCCDR) under the chairpersonship of Minister for Social Justice & Empowerment was constituted in July, 2008. The Committee has representation of various stakeholders, which also include agencies dealing with supply and demand reduction. The Committee advises the Government on issues connected with drug demand reduction, education/awareness building, de-addiction and rehabilitation of drug-addicts. The first meeting of the Committee was held on 10.12.2008. Two major recommendations which emerged in the meeting were:

- (i) To bring about further necessary changes in the Scheme for Prevention of Alcoholism and Substance (Drug) Abuse and
- (ii) To formulate a National Policy on Prevention of Alcoholism and Substance Abuse and rehabilitation of its victims.

6.15.2 A sub-committee of the NCCDR was constituted on 28.02.2009 to take necessary steps in regard to both the above recommendations. The Sub Committee submitted its recommendations in July 2010 (i) suggesting changes in the ongoing scheme on de-addiction and (ii) a draft for formulation of a policy on drug demand reduction. Suggestions of all the

stakeholders were invited on the draft policy paper prepared by the Sub-committee. These recommendations on the changes to the scheme and the draft national policy were discussed in the Second meeting of NCCDR. Based on the recommendations of the Committee, the cost norms of the Scheme for Prevention of Alcoholism and Substance Abuse are being revised and the National Drug Demand Reduction(NDDR) Policy is also under formulation.

6.16 Assistance to Voluntary Organizations for Prevention of Alcoholism and Substance (Drug) Abuse and for Social Defence Services

6.16.1 'Scheme of Assistance for the Prevention of Alcoholism & Substance (Drugs) Abuse and for Social Defence Services' is the flagship scheme of the Ministry in the field of drug demand reduction. The Scheme has two parts viz. (i) 'Assistance for the Prevention of Alcoholism & Substance (Drug) Abuse' (Part I) and (ii) 'Financial Assistance in the Field of Social Defence' (Part II).

(i) Assistance to Voluntary Organizations for Prevention of Alcoholism and Drug Abuse

6.16.2 The Scheme of Assistance for the Prevention of Alcoholism and Substance (Drugs) Abuse is being implemented for identification, counselling, treatment and rehabilitation of addicts through voluntary and other eligible organizations. Under this scheme, financial assistance up to 90% of the admissible expenditure is given to the voluntary organizations and other eligible agencies for setting up/running Integrated Rehabilitation Centre for Addicts (IRCA), Regional Resource and Training Centres (RRTC), for holding Awareness-cum-addiction camps (ACDC) and Workplace Prevention Programmes etc. In the case of North-Eastern States, Sikkim and Jammu & Kashmir, the quantum of assistance is 95% of the total admissible expenditure. The balance has to be borne by the implementing agency.

6.16.3 The financial and physical achievement for the last three financial years under the scheme is as under:

(Amount in Rs. crore)

Year	B.E.	R.E	Grants Released	No. of NGOs assisted	No. of Beneficiaries (approx.)
2011-12	41.00	35.50	35.33	296	1,28,412
2012-13	40.00	18.00	17.92	187	74,904
2013-14	45.00	28.12	25.40	231	98,892

6.16.4 Under the Scheme, the Ministry assisted 231 NGOs which were running 268 IRCAs (Treatment Centers). An amount of Rs.25.40 crore was released as Grant-in-Aid to NGOs during 2013-14. The state wise physical and financial performance of the scheme is at **Annex-6.8**. A list of Voluntary Organizations that received grant-in-aid during 2013-14 is at **Annex- 6.9**.

(ii) Financial Assistance in the Field of Social Defence

6.16.5 The Scheme of 'General Grant-in-Aid Programme for Financial Assistance in the Field of Social Defence' aims to:

- i. Meet urgent needs falling within the mandate of the Ministry which cannot be met under its regular schemes and
- ii. Support such initiatives of an innovative/pilot nature in the area of welfare and empowerment of the Ministry's target groups, as cannot be supported under its regular schemes.

6.16.6 Financial assistance is given up to 90% of the approved expenditure to the voluntary and other eligible organizations. In case of an organization working in a relatively new area where both voluntary and Government effort is very limited but the need for the service is very acute, the Government may bear up to 100% of the cost. The financial and physical achievements for the last three financial years under the scheme are as under:

(Amount in Rs. crore)					
Year	B.E.	R.E	Grants Released	No. of NGOs assisted	Approx no. of Beneficiaries/ Remarks *
2011-12	5.00	3.00	3.00	1	7528
2012-13	5.00	3.00	3.00	1	7193
2013-14	5.00	3.00	0.99	1	#

* Total No. of beneficiaries provided by J&K State Rehabilitation Council, Social Welfare Deptt.

Data for 2013-14 is yet to be provided by the Council.

6.16.7 The funding under this scheme has been to the Jammu & Kashmir Rehabilitation Council for Rehabilitation of Widows, Orphans, Handicapped and Older Persons. During the year 2013-14, full grant of Rs. 3 crore could not be released as the complete proposal for grant in aid was submitted late by the Council and expenditure was curtailed to 33 % in last quarter of Financial Year 2013-2014.

6.17 Training and Research in the field of alcoholism and drug demand reduction

National Centre for Drug Abuse Prevention (NCDAP) in NISD

6.17.1 Training is an important component for capacity building and skill development for the service providers. It is important to have exposure to the new trends regarding the kind of drugs abused, medical and psychiatric problems, new medicines/methodologies available for the treatment of addiction through participation in training programmes and conferences. Updating and training through refresher courses also needs to be provided to existing staff. A National Centre for Drug Abuse Prevention (NCDAP) was established in 1998, in the National Institute of Social Defence (NISD) at New Delhi to serve as an apex body for training, research and documentation in the field of alcoholism and drug demand reduction.

Regional Resource and Training Centres (RRTC)

6.17.2 Twelve Non-Governmental Organizations (NGOs), with long years of experience and expertise in treatment, rehabilitation, training and research have been designated as **Regional Resource and Training Centres (RRTCs)** for different regions of the country. These serve as field training units of National Centre for Drug Abuse Prevention (NCDAP) on various aspects of demand reduction. RRTCs provide the following services to the NGOs working the field of Drug Abuse Prevention within their region:

- Documentation of all activities of the NGOs including preparation of Information Education Communication (IEC) material.
- Undertaking Advocacy, Research and Monitoring of drug abuse programmes.
- Technical support to the NGOs, Community Based Organisations and Enterprises.

A list of twelve RRTCs, with the details of States/UTs attached to each, may be seen at **Annex-6.10**.

6.18 Beggary

6.18.1 The word 'beggar' or 'beggary' is not mentioned in any of the lists of the Constitution. However, **as per entry-9 of the State List in the Seventh Schedule** of the Constitution, "Relief of the disabled and unemployable" is a State subject. The subject of "Vagrancy" is listed at Entry-15 **of the Concurrent List**. As per information available at present, 20 States and 2 UTs have either enacted their own Anti Beggary Legislation or adopted the legislation enacted by other States. Despite the fact that many States/UTs have enacted laws relating to beggary, the provisions of these legislations differ across the States and their status of implementation, including the measures taken for rehabilitation of beggars, are also not uniform.

6.18.2 Keeping the above in view, the first National Consultation meeting held in 2010 had decided that a Model Legislation for Elimination of Beggary should be brought that can be suitably adopted/ adapted by States/UTs. It was also observed that the approach towards addressing the problem of beggary should be rehabilitative rather than punitive. The Second Consultation Meeting held on 12.7.2012 also deliberated on this issue and recommended that in order to have uniformity throughout the country, there is a need to bring out a Model Legislation for Elimination of Beggary which can be suitably adopted/ adapted by the States/ UTs.

6.18.3 Accordingly, after due process the National Law School of India University (NLSIU), Bangalore was entrusted with the task of drafting a model legislation on beggary. The Draft Model Legislation on Beggary has been received from National Law School of India University (NLSIU), Bangalore and is under consideration.

6.18.4 The Working Group on Social Welfare for formulation of XII Five Year Plan (2012-17) constituted by the Planning Commission had, inter-alia, covered issues relating to rehabilitation of beggars. In this connection, a Sub-Committee on Rehabilitation of Beggars has been constituted by the Ministry for detailed discussion on the issues for the welfare

of Beggars. With a view to rehabilitate at least half of the estimated population of 7.03 lakh beggars, the Working Group, inter-alia, had recommended to the Planning Commission that the Central Govt. should launch a direct intervention through a new programme/scheme of Integrated Programme for Rehabilitation of Beggars which would include Shelter Home/ Night Shelter-cum-Work Production Centre; Multiple Skill Training; Mobile Health Care; Counselling, Awareness Generation and Sensitization programme; Training of Human Resource and Research and Documentation, etc. with a proposed budgetary outlay of Rs.925 crore for the XII plan period. The approved plan outlay for 12th Five year plan for the Scheme for Rehabilitation of Beggars is Rs. 100 crore.

6.19 Issues related to Transgender Persons

6.19.1 Ministry of Social Justice & Empowerment has been designated as the Nodal Ministry for Transgender persons with effect from July 2012. Subsequently, a Consultation Meeting with various stake holders was held on 23rd August 2013. An Expert Committee was constituted under the chairmanship of Additional Secretary (SJE) to make an in-depth study of the problems being faced by the Transgender Community and suggest measures that could be taken to ameliorate those problems. CHAPTER 7

IMPLEMENTATION OF PROGRAMMES IN THE NORTH EASTERN REGION

7.1 Introduction

7.1.1 The North Eastern Region (NER) comprises 8 States namely, Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim and Tripura. The State-wise total population, population of SCs and Senior Citizens and SC literacy rate are given in the table below:

Sl. No.	State/UT	Total Population	No. of Senior Citizens	% of Senior Citizens	SC Population	% of SC population	SC Literacy Rate		
							Person	Male	Female
	Arunachal Pradesh	1383727	63639	4.60	0	0	0.0	0.0	0.0

Source: Census of India, 2011

7.1.2 It would be seen from the above that all the States of the NE Region, except Tripura (17.83%), have proportion of SC population much below the National average of 16.7%. Arunachal Pradesh and Nagaland have no SC population while percentage of SC population in Mizoram, and Meghalaya is less than 1%.

7.1.3 All States in the region have population of senior citizens below the national average of 8.56%, while average for the NER is 6.53%.

7.1.4 The region is understood to be quite affected by substance abuse due to its proximity to the "Golden Triangle", one of Asia's two main illicit opium-producing areas. However, proper estimates of drug affected population are not available.

7.1.5 Similarly, the estimates of population belonging to OBCs are also not available. The Central Government as well as State Governments have not notified any OBCs for Arunachal Pradesh, Nagaland, Mizoram and Meghalaya.

7.1.6 For overall development of the NE Region, the Government of India decided in October 1996 that all Ministries/Departments should make a lump sum provision of 10% of their annual plan allocation for projects/schemes in North Eastern States (including Sikkim), unless specifically exempted keeping in view the nature of work carried out by a Ministry. The Department of Social Justice and Empowerment has however been exempted from making a provision of 10% of the total plan allocation in so far as SC development is concerned by a Government decision of November, 2000, since the population of the Scheduled Castes in the northeast region was only 1.55% (Census, 1991) of the total Scheduled Caste population of the country. Accordingly, the Ministry has been permitted to make provision of 2% of the total allocation in a year for Scheduled Caste development for the North East. The norm of 10% allocation, however, applies to all its sectors other than Scheduled Caste development viz. Development of OBCs, and Social Defence.

7.2 Plan Outlay of the Ministry, and outlay earmarked for NER

7.2.1 The total plan outlay of the Ministry during 2012-13 and 2013-14 [and out of] that, [outlay] earmarked for NER was as under:-

(Amount in Rs crore)

7.5 Steps taken to improve the utilization of funds in the NER

7.5.1 The following steps have been taken to improve utilization of funds in the NE region:

- i. In order to provide publicity, various schemes implemented by the Ministry have been put on its website. Weekly radio programme 'Sanwanti Jaye Jeevan Ki Rahen' was produced and broadcast during the year to create awareness about the schemes meant for the weaker section of the society through 30 commercial channels (Vividh Bharti), 71 local stations, 15 primary channels of North-East and FM stations of All India Radio. This programme was broadcast in Hindi and 17 regional languages viz., Tamil, Telgu, Malayalam, Kannad, Urdu, Punjabi, Marathi, Gujarati, Assami, Bengali, Oriya, Konkani, Nagamese, Khasi, Nepali, Garo, and Manipuri.
- ii. The Ministry has also been seeking help of the Ministry of Development of North Eastern Region (DONER) and the North Eastern Council (NEC), to impress upon the NE States for sending complete proposals on adequate scale under the various schemes implemented in the region by this Ministry.
- iii. To boost the expenditure in the region and to identify the problems being faced by the State Governments in utilizing the funds, the Department has been organizing meetings with Social Welfare Secretaries & other officers of Social Welfare Departments of NER States as well as representatives of non-Government organizations in the region for the last four years.

CHAPTER 8

GENDER BUDGETING

8.1 Introduction

8.1.1 Gender Budgeting is an exercise to translate stated gender commitments of the Government into budgetary commitments. This is a strategy for ensuring Gender Sensitive Resource Allocation, entails affirmative action for empowering women and enables Tracking and Allocating resources for women empowerment.

8.1.2 The Finance Minister in his Budget Speech, 2004-05, had indicated the need for budget data being presented in a manner that highlights gender sensitivities of the budgetary mechanism. Pursuant to this announcement, the Ministry of Women and Child Development had, in October 2004, identified 9 Ministries/ Departments including this Ministry for preparation of Public Expenditure profile of their schemes and conduct beneficiaries incidence analysis from a gender perspective.

8.1.3 The target groups of the Ministry are the most disadvantaged sections of society. Women in these target groups face still greater discrimination and lack access to various services. There has been continuous endeavor on the part of the Ministry to specially focus on women in the existing plan schemes. Further, there has also been an effort to take up schemes which are especially for women.

8.2 The following schemes of the Department have special provisions for women beneficiaries:

- i. Special Central Assistance to Scheduled Castes Sub-Plan (SCA to SCP) – Under the Scheme, 15% of the budgetary allocation is earmarked for women.
- ii. Scheme for National Overseas Scholarship – Under the Scheme, at least 30% of the budgetary allocation is earmarked for women.
- iii. Babu Jagjivan Ram Chhatrawas Yojana - Under the girl's hostel component of the scheme, 100% Central Assistance is provided for new construction and expansion of existing girls' 'hostel building' to State Governments (as against 50% assistance for boy's hostels).
- iv. It is provided in the scheme for construction of hostels for OBC Boys and Girls that State Governments/UT Administration which submit proposals for construction of three or more hostels in a year will have to propose Girls'
- v. Hostels to the extent of at least one third of them.

8.3 Schemes of Finance & Development Corporations specially focusing on Women

Schemes for women beneficiaries of the Department's Apex Corporations are given below:-

8.3.1 NSFDC recognizes that women are the centre of all household economic activities and the most effective target group for any poverty eradication scheme to succeed. Therefore, since its inception, NSFDC has been laying emphasis on coverage of more and more women beneficiaries under its Lending Programmes. The Lending Policy of NSFDC earlier stipulated coverage of 30% women beneficiaries in Physical Terms.

8.3.2 Consequent upon the recommendations of 'Task Force on Convergences and Coordination of Government Programmes/Schemes for Educational, Economic and Social Empowerment of Scheduled Caste and OBC Women' NSFDC has amended its Lending Policy w.e.f. 1.4.2009 stipulating 40% coverage of women beneficiaries both in Physical and Financial Terms. As against this norm, the actual coverage of women beneficiaries during last two years is given as under:

Year	Physical		Financial	
	Norm	Actual	Norm	Actual
2012-13	40%	69.04%	40%	50.20%
2013-14	40%	72.44%	40%	56.71%

Schemes for Women Beneficiaries

8.3.1.3 Mahila Samriddhi Yojana (MSY)

NSFDC introduced the Scheme titled 'Mahila Samriddhi Yojana (MSY)' – an exclusive Micro-Credit Scheme for women beneficiaries during 2003-04 to provide loans upto Rs.25,000/- per unit at an interest rebate of 1% p.a. as compared to the Micro-Credit Finance Scheme. During the year 2006-07, the unit cost limit under MSY was raised to Rs.30,000/-, which was further raised to Rs.50,000 in 2012-13 in order to enable the women beneficiaries to take up income generating activities with higher investment. On repayment of loan under MSY, the beneficiaries can once again avail any loan under NSFDC Schemes.

8.3.1.4 Mahila Kisan Yojana (MKY)

Considering the fact that Agriculture constitutes 73% of women work force, NSFDC has launched the scheme titled 'Mahila Kisan Yojana (MKY)' w.e.f. 1.5.2008. Under the scheme, Term Loans upto Rs.50,000/- are provided at an interest rate of 5% p.a., exclusively to women beneficiaries, for taking up income generating ventures in Agriculture and/or Mixed Farming related economic activities.

8.3.1.5 The financial and physical achievements under MSY & MKY schemes during the last year and current year are given below:

2012-13		2013-14	
Financial (Rs. in crore)	Physical (Nos)	Financial (Rs. in crore)	Physical (Nos.)
47.71	24080	79.21	29751

8.3.1.6 Nari Arthik Sashaktikaran Yojana (NASY)

NSFDC has introduced a Nari Arthik Sashaktikaran Yojana (NASY) w.e.f. 8.2.2013 to provide loans at 4% p.a. under any NSFDC Scheme to Single Women/Widows/Women who are head of their families to take up income generating activity and improve their socio-economic status. Under the NASY, the SCA would be provided 2% of the loan amount as grant for the purpose of carrying out 'handholding activity' for the beneficiaries covered under the Scheme, subject to a maximum of Rs.4000/- per unit.

The beneficiaries covered under NASY would be eligible to avail further assistance for expansion of business after 2 years of availing the first loan, provided the repayment is regular.

8.3.1.7 Other Schemes for Women

1	Skill Training	40% women coverage*
2	Term Loan	40% women coverage*
3	Educational Loan Scheme	0.5% additional interest rebate

*(Course fee is provided by NSFDC and trainees are given stipend @ Rs.1,000/- per month during the course of Training which has been revised to Rs.1500/- per month w.e.f. 8.2.2013).

8.3.2 National Safai Karmachari Finance & Development Corporation (NSKFDC)

8.3.2.1 The target group of NSKFDC i.e. Scavengers, Safai Karamcharis and their dependents are the most down trodden section of our society and poorest among the poor. The target group of NSKFDC is traditionally engaged in scavenging and sweeping work for generations, which is normally not done by other sections of the society. The involvement of a majority of adult population in scavenging and sweeping has given them a negative social image and status and also deprived them to join the mainstream of the society.

8.3.2.2 To enable them to break out from the depressed social and economic conditions, NSKFDC has been implementing various schemes and programmes. Since, the women beneficiaries are most disadvantaged among the target groups, therefore, NSKFDC has made two exclusive schemes for their rehabilitation i.e. Mahila Samridhi Yojana (MSY) & Mahila Adhikarita Yojana (MAY). The main features of the schemes with women component are given below: -

a) Mahila Samridhi Yojana (MCF for women)

1. Term loan assistance upto Rs.50,000/- per beneficiary for MCF may be provided to Safai Karmachari and Scavenger Women and dependant daughters for any income generating activity.
2. The rate of interest for the Mahila Samridhi Yojana shall be:
 - i. NSKFDC to SCA 1%

CHAPTER 9

MONITORING AND EVALUATION

9.1 System of Monitoring the Performance of the Schemes/Programmes

Towards the furtherance of its objectives, the Department of SJ&E, *inter alia*, provides financial assistance to State Government, NGOs and other implementation agencies for programmes meant for the target groups of the Department of SJ&E; makes provision of concessional loans (and in appropriate cases, subsidy) to members of target groups for income generating activities through its National Finance & Development Corporations. The Department of SJ&E thus implements its schemes through (i) State Governments/UT Administrations, (ii) Non-Governmental Organisations and (iii) its own organisations viz. National Institute, Corporations etc and has developed the mechanism for monitoring the progress of the schemes/programmes being implemented through these organizations.

9.1.1 Monitoring Mechanism for the Programmes/Schemes implemented through State Government/UT Administration

Various initiatives taken by the Department of SJ&E for monitoring the progress of implementation include the following: -

- i. Performance of schemes is monitored through the quarterly/annual progress reports furnished by the State Governments/UT Administrations.
- ii. For the effective monitoring of the all the schemes, Department of SJ&E has designated Bureau Heads and Divisional Heads as Nodal Officers for various regions and States/UTs. During the field visits of Officers of this Department to States/UTs, discussions are held in order to identify constraints and to take corrective measures.
- iii. Financial and physical performance is reviewed by the Secretary (SJ&E) with Bureau Heads on fortnightly/weekly basis to ensure that the allocations provided for the schemes of the Department of SJ&E are fully utilized and to monitor all important activities.
- iv. Selected high priority schemes are monitored at the level of Minister (SJ&E) regularly.
- v. Department of SJ&E also organizes Bi-annual Conference of State Social Welfare Ministers and the Annual Conference of State Welfare Secretaries wherein, *inter alia*, all the schemes of the Department of SJ&E are reviewed. States/UTs have also been advised to strengthen their monitoring mechanism.

- vi. The Department of SJ&E also sponsors evaluation studies from time to time through independent evaluation agencies to check whether the benefits of the Schemes reach the target groups.
- vii. Performance Management Division (PMD) of Cabinet Secretariat has developed a Performance Monitoring and Evaluation System (PMES) with the approval of Prime Minister for monitoring and evaluating the performance of the Government Ministries/ Departments. In pursuance of the directions of the Cabinet Secretariat, Department of SJ&E has prepared a Results-Framework Document under which all the major schemes of the Department of SJ&E are included for monitoring by the High Powered Committee constituted by the Cabinet Secretariat.
- viii. To have a close watch by people's representatives especially MPs on the working of NGOs receiving funds under its various schemes, Department of SJ&E vide its Order dated 13.2.2012 has decided to endorse a copy of the sanction letters of Grant in aid released to NGO(s), to the concerned MPs, in whose constituency the particular NGO is working, for his information and appropriate action. For effective monitoring the progress and utilization of funds under its major schemes, Vigilance-cum-Monitoring Committees at District levels have been set up on 9.7.2013. These Committees would be expected to keep a regular watch on the implementation of the Programmes as per the prescribed procedures and guidelines. These Committees would, *inter alia*, include Members of Parliament, State Legislatures and Panchayati Raj Institutions (PRIs).

Other initiatives taken by the Department of SJ&E for effective implementation of the Schemes include the following:

- i. Fresh/subsequent releases of grants to State Governments/NGOs during a year are made only on receipt of audited Utilization Certificates in respect of previous grants sanctioned which have become due.
- ii. State Governments/UT Administrations are also advised to monitor the schemes/ programmes implemented through NGOs

9.1.2 Monitoring of schemes implemented through NGOs

Besides the Monitoring and Control Mechanism, as detailed above, the following important steps are taken/ proposed to be taken by the Department of SJ&E for monitoring the implementation of the various schemes implemented through NGOs:

- The present practice of release of grants wherein State Governments do not adhere to the time limit for recommending proposals often leads to delay, resulting in poor delivery /non-delivery to the beneficiaries. Hence, State Governments are requested to send the Inspection Report and State GIA Committee recommendation well in advance, i.e. on or before 31st July of the financial year.

- This Department obtains utilization certificate and audited accounts duly certified by a Chartered Accountant from the grantee NGOs, in order to ensure proper utilization of funds and release of funds for subsequent year is considered after receipt of utilization certificate of previous year's grant.
- Each NGO is required to be inspected by the State Government every year, and grant is considered after receipt of recommendation of the State level grant-in-aid committee along with the inspection report and other relevant documents.
- Department of SJ&E, in consultation with NIC has initiated a proposal for the Pilot System for online submission of proposals of NGOs by State Governments to this Department and tracking of these proposals during their processing in the States of A.P., Maharashtra, Orissa, UP, Assam and NCT of Delhi in respect of the Scheme of Grant-in-Aid to Voluntary Organizations working for SCs, and Integrated Programme for Older Persons.
- With a view to ensuring quality of services rendered through the NGOs, the Department of SJ&E has prepared a 'Manual on Minimum Standards for the programmes under the Scheme 'Prevention of Alcoholism and Substance (Drugs) Abuse' with emphasis on facilities and services to be provided at the Rehabilitation Centre, roles and responsibilities of the staff, clients' rights and the code of ethics for the staff.
- The feedback from the stakeholders as well as the outcome of the independent evaluation of the schemes/programmes are invariably taken into consideration while undertaking the revision in the schemes/projects for effective implementation.

To make the processing of the proposals for grant-in-aid more simple and streamlined, the following procedural modifications are followed:

- i. In all cases recommended by the State Governments' Grants-in-Aid Committee within the State's notional allocation, the first instalment of GIA to the extent of 50% of the recommended amount is considered for release without detailed scrutiny of the proposal, but subject to the condition that no Utilization Certificate of more than one year is pending. Thereafter, the second instalment in each case will be considered for release after detailed scrutiny.
- ii. Earlier, NGOs needed to submit, with their proposal every year, the following documents, which normally remain unchanged, over the years: (a) Registration Certificate under the Societies Registration Act, 1860/Indian Trust Act, 1982; (b) Memorandum of Association, and (c) Rules and Bye-laws of the Society/Trust. In order to dispense with the requirement of repeated submission of these documents, it was decided that except Registration Certificate, the other two documents are not required to be submitted by the NGO every year, unless there is some change.

9.2 Monitoring of schemes implemented through the Finance and Development Corporations of the Department of SJ&E

The concerned Bureau Heads are members of Boards of the Corporations and Chairmen of Executive Committees of the Institute. Both Board of Directors and Executive Committees meet quarterly to review implementation of the programmes of these Corporations/Institute including the schemes of the Department of SJ&E.

9.2.1 Finance and Development Corporations of the Department of SJ&E

The Finance and Development Corporations of the Department of SJ&E have evolved the monitoring and evaluation mechanisms of the schemes implemented by them, which is briefly described below:

9.2.1.1 National Scheduled Castes Finance & Development Corporation

The Corporation has put in place Internal as well as External Monitoring Mechanisms for periodic monitoring and evaluation of its various schemes.

a) Internal Monitoring & Evaluation

NSFDC has the following Internal Monitoring & Evaluation in place for monitoring the implementation of schemes by the SCAs.

- (i) The SCAs are required to submit utilization certificates, which contain details such as Cheque No., Date, Name of Suppliers and Names and addresses of beneficiaries.
- (ii) NSFDC nominee reviews issues relating to NSFDC Schemes in the Board Meetings of SCAs.
- (iii) High level meetings of NSFDC officials are held with State Government and SCA Officials to discuss long pending issues.
- (iv) NSFDC reviews the progress of its schemes in periodic meetings with SCA Officials.
- (v) Pending issues are reviewed and resolved in the Regional Workshops of SCAs.
- (vi) NSFDC Zonal Officers periodically inspect the units financed and submit reports.

b) External Monitoring & Evaluation

NSFDC get its schemes evaluated periodically through Independent Organizations i.e. State Technical and Consultancy Organizations (STCO). The objective of such evaluation studies is to know the impact of the schemes on the beneficiaries and the incremental incomes earned by them post implementation.

9.2.1.2 National Safai Karmachari Finance and Development Corporation (NSKFDC)

The internal mechanism put in place by the Corporation for Monitoring & Evaluation of the schemes of the Corporation is given as under:

1. The beneficiaries under NSKFDC schemes are being inspected from time to time by the Executives of the Corporation during their official visits to the State SCAs to know the impact of the schemes of NSKFDC among the target group. During the inspection, the viability of the schemes, income assessment, status of living of standard, ground level difficulties are being assessed and necessary directions/suggestions are given to the target group for the betterment of the scheme.
2. NSKFDC is also monitoring the implementation of its schemes by way of obtaining progress reports, utilization certificates, and periodical visits made by the officials of the corporation to the beneficiaries. The following mechanism has been adopted by NSKFDC to monitor the implementation of NSKFDC schemes more effectively:
 - i. NSKFDC reviews the progress of its schemes in periodic meetings with SCA officials during the visits of the officials of NSKFDC to the concerned SCA.
 - ii. The SCAs are required to submit utilization certificates, which contain details such as Cheque No. Date, Amount, Name of Suppliers and Category of beneficiary i.e. Safai Karmachari, Scavenger or their dependent, Names, addresses & age of beneficiaries.
 - iii. Meetings of NSKFDC officials are also held with the officials of the State Government and SCA to discuss long pending issues.
 - iv. The nominee of NSKFDC reviews issues relating to NSKFDC Schemes in the Board Meetings of the SCAs.

9.2.1.3 National Backward Classes Finance and Development Corporation (NBCFDC)

The Corporation puts great stress on Monitoring & Evaluation of implementation of NBCFDC schemes by State Channelizing Agencies (SCAs). In order to achieve this objective, the Corporation gets evaluation studies conducted on regular intervals from independent agencies. The officials of the Corporation attend the Board Meetings of the SCAs to review the status of implementation of its schemes. Regional Meetings and National Conference of the SCAs also organized during the year to have one to one interaction with the Managing Directors and Senior Officers of SCAs. The recommendations of such meetings help in formulating new guidelines and policies for better implementation of NBCFDC schemes at grass-root level. In addition, the officials of the Corporation also undertake field visits from time to time to meet the beneficiaries to know about the quality of funding etc. The SCAs have been advised to adhere to the stipulated period for disbursement of loans to the eligible identified beneficiaries.

9.3 Evaluation of Programmes/ Schemes of the Ministry

9.3.1 The impact of the schemes / programmes implemented is assessed and evaluated from time to time by the Ministry through independent evaluation agencies. Research/Evaluation studies are sponsored through Universities/Research institutions/professional bodies to get

feedback about effectiveness of the schemes. These agencies collect information from actual beneficiaries to know the success (or failure) of the programmes/schemes. Reports of these agencies serve as a yard stick for assessing the status of programme implementation. Finally, the findings and recommendations of these reports help in revising the approach, norms and coverage of the programmes and in identifying the emerging issues which require policy interventions.

9.3.2 The research/evaluation studies, seminars/workshops/conferences in the areas of Social Defence, Other Backward Classes and Scheduled Caste Development, are sponsored under the Scheme of Grant-in-Aid Rules for Research and Publications. The scheme was revised in April, 2013 by merging the existing two schemes namely Grant-in-Aid Rules for Research and Publications and Guidelines for Grant-in-Aid under the Central Sector Scheme of Supporting Projects of All India or Inter-State Nature for Scheduled Castes Development (Research and Training), and revised norms for quantum of assistance for organizing Seminar/Workshops/Conferences, research grant to Individual Scholar and Publication.

9.4 Mechanism for Selection of Programmes/ Schemes for Evaluation

9.4.1 The Ministry from time to time identifies its priority areas for evaluation of schemes/programmes that are under implementation in the various States/ UTs. Research proposals on the priority area are received from established research institutions and universities.

9.4.2 The Research Advisory Committee (RAC) is the Apex level Body of this Ministry which approves the proposals for evaluation/ research studies. During 2013-14, the RAC was reconstituted. The Committee comprises of Additional Secretary as the Chairperson, 7 non-official Members from relevant fields such as Social Science researchers/ eminent scholars, and from the Planning Commission in addition to heads of Bureaus in the Ministry. The Committee advises on (i) identification of priority areas of research and evaluation, (ii) examination of research proposals for sponsorship, (iii) utilization of research/evaluation findings of research studies sponsored by the Ministry and (iv) other matters relating to promotion of research.

10.5 Media

10.5.1 Information and mass education

10.5.1.1 Mass communication holds substantial promise as a tool for reaching and persuading people to adopt new and better lifestyles. The media campaigns can be effective in changing beliefs, attitudes, intentions, and even behaviors, when properly designed. Coupling media with other kinds of interventions is more successful than either media or non-media efforts alone. When used correctly, media alone can have significant positive impact on attitudes, beliefs, and behavior of common people.

10.5.1.2 The most important principles for effective media campaign are:

- i. Designing a campaign that will achieve widespread, frequent, and prolonged exposure to a message: In traditional advertising terms this means that the media campaign messages must have high reach (the large proportion of target audience members exposed to a message at least once) and frequency (the average number of exposures per audience member reached). These goals are much easier to state than to achieve.
- ii. Availability of sufficient financial resources to purchase adequate amount of time & space in desired media vehicle such as television, radio, newspapers etc.
- iii. Effective marketing skills to persuade media gate keepers to donate their precious resources.
- iv. A combination of both purchased and donated /sponsored time and space.
